Title Index

- A cost function analysis of the Mexican nonelectrical machinery industry, 1027
- A dynamic analysis of fiscal pressure and demographic transition, 1431
- A fractional cointegration analysis of the long-run relationship between black and official foreign exchange rates: the case of the Brazilian cruzeiro, 853
- A household model for work absence, 1493
- A limited-dependent analysis of the choice of regular labour contract in seasonal agriculture, 1347
- A micro-analytic threshold model for the timing of first purchases of durable goods, 959
- A multivariate cointegrated modelling approach in testing temporal causality between energy consumption, real income, and prices with an application to two Asian LDCs, 1287
- A sample selection model for prepared food expenditures, 345
- A test of Dutch long-run export supply behaviour, 383
- Aggregation of data and profit maximization in Mexican agriculture, 235
- Agricultural productivity of the Spanish regions: a non-parametric Malmquist analysis, 875
- An analysis of the dynamic behaviour of earnings distributions, 1
- An economic analysis of murder and accident risks for police in the United States, 593
- An empirical analysis of the effects of the Monopolies and Mergers Commission Beer Orders (1989) on the UK brewing industry, 145
- An evaluation of active and passive labour market policy, 783
- An experimental comparison of dichotomous choice contingent valuation questions and real purchase decisions, 643
- An extension of currency substitution into the near monies framework: a case for Canada, 845
- An international comparison of hospital efficiency: does institutional environment matter?, 1089
- Are exchange rates determined by macroeconomic factors?, 553
- Are union productivity effects overestimated?: evidence from coal mining, 913
- Barter in the US economy: a macroeconomic analysis, 1077
- Beta convergence in Finland: regional differences in speed of convergence, 679
- Business sector R and D and Australia's manufacturing trade structure, 177
- Capturing all the information in foreign currency option prices: solving for one versus two implied variables, 1679
- Careers guidance, psychometric testing and unemployment amongst young people: an empirical analysis for Northern Ireland, 1203
- Changes in the rate of return to education in Sweden 1968-1991, 1653
- Changes in unemployment status across demographic groups during the 1990-1991 recession, 1571
- Common trends and common cycles in regional crime, 1407
- Compensating wage differentials for job stress, 1067
- Competitiveness of international tourism in Japan: US versus Japanese visitors, 631
- Consumption patterns as a measure of capital mobility: evidence from some APEC countries, 885
- Consumption risk-sharing in Italy, 407
- Convergence and divergence in regional household incomes per head in the United Kingdom, 1984-93, 31
- Cost structure and productivity growth in European railway systems, 1625
- Cross-country evidence on the link between inflation volatility and growth, 1317
- Cyclicalities of real wages and adjustment costs, 1239
- Data revisions and forecasting, 1011
- Deficits and inflation: an open economy model of the United States, 1307
- Demand for cash balances in Germany: theoretical underpinnings and empirical evidence, 1017
- Demand for food commodities by income groups in Indonesia, 491
- Demand for Greek imports using multivariate cointegration techniques, 1483
- Demand for money in Sri Lanka during the post-1977 period: a cointegration and error correction analysis, 1219
- Determinants of the demand for Thailand's exports of tourism, 711
- Determinants of the expected real long-term interest rates in the G7-countries, 279
- Determinants of tuition at comprehensive universities, 579
- Disaggregated wage curves in the United States: evidence from panel data of young workers, 1665
- Distinguishing characteristics of degrees of success and failure in economic sanctions episodes, 805
- Distribution and growth: cross-country evidence, 943
- Do US employers discriminate against females when hiring their employees?, 1471
- Does agriculture contribute to economic growth? Some empirical evidence, 775
- Does exchange-rate volatility affect import flows in G-7 countries? Evidence from cointegration models, 1269
- Econometric methods and purchasing power parity: short- and long-run PPP, 1443
- Economies of scale and scope in Flemish secondary schools, 1251
- Economies of scale and utilization in electricity generation in Kuwait, 815
- Efficiency measurement in rotating panel data, 919
- Efficient utilization of resources in public schools: a case study of New Jersey, 1299
- Endogenous growth and the dynamic Laffer curve, 63
- Enterprise reform and technical efficiency of China's state-owned enterprises, 585
- Entry and exit from manufacturing industries: symmetry, turbulence and simultaneity - some empirical evidence from Greek manufacturing industries, 1982-1988, 245
- Estimating an hedonic translog cost function for the home health care industry, 1259

- Estimating the effectiveness and benefits of alcohol treatment programmes for use in economic evaluations, 217
- Exchange controls and European stock market integration, 263
- Exchange rate appreciation and export competitiveness. The case of Singapore, 51
- Exchange rate sensitivity of the demand for money in Spain, 607
- Exchange rate volatility and aggregate export growth in Bangladesh, 189
- Exchange rates and import prices for a small open economy: the case of Ireland, 1147
- Explaining the decision to repeal an optional local tax, 353
- Exploring the accuracy of international trade statistics, 1603
- Export expansion and economic growth: testing for cointegration and causality, 415
- Factors affecting levels and growth rates in the wage rates of women: evidence from nursing, 727
- Forecasting foreign exchange rates with an intrinsically nonlinear dynamic speed of adjustment model, 295
- Foreign trade elasticities and import discipline, 105
- Functional form of the demand for real balances in Cagan's hyperinflation model, 1617
- Gender differences in mate search effort: an exploratory economic analysis of personal advertisements, 1277
- Gender occupational segregation and its impact on the gender wage differential among rural-urban migrants: a Chinese case study, 741
- German aid and trade versus Namibian GDP and labour productivity, 689
- Growth convergence: some panel data evidence, 907
- He came, he saw, (and) he waited: an empirical analysis of inertia in technology adoption, 893
- Health and productivity in a heterogeneous urban labour market, 203
- Health risk and the decision to quit smoking, 795
- Household labour supply with rationing in Spain, 1557
- Income risk and allocation of labour time: an empirical investigation, 1549
- India's trade balance in the 1980's - an econometric analysis, 761
- Induced technical change, adjustment costs and environmental policy modelling, 649
- Influence of social learning on exchange rate policy in developing countries: a preliminary finding, 697
- Is currency seigniorage exogenous for inflation tax in Turkey?, 545
- Is job stability declining in Germany? Evidence from count data models, 1413
- Job exit of men: new job destination versus unemployment destination, 1231
- Labour participation of Arab women: estimates of the fertility to labour supply link, 931
- Limited dependent variables in willingness to pay studies: applications in health care, 667
- Linking price dispersion to product differentiation - incorporating aspects of customer involvement, 829
- Long- and short-run Fisher effects: new tests and new results, 113
- Long-run determinants of Korean economic growth: empirical evidence from manufacturing, 391
- Method of pay in Finnish industry, 863
- Mixed price and pure sharecropping in Nepal: dualism and empirical evidence supporting the traditional hypothesis, 37
- Money and prices: some evidence from India, 821
- Multimarket market power estimation: the Australian retail meat sector, 1169
- On the European monetary system: the spillover effects of German shocks and disinflation, 1585
- On the export-led growth hypothesis: the econometric evidence from China, 1055
- On the interpretation of policy effects from estimates of simultaneous systems of equations, 995
- On the "restricted cointegration test" as a test of the rational expectations hypothesis, 269
- On the use of disequilibrium models in applied microeconomic research and the value of sample separation information, 1511
- Oscillating labour from the West Bank, 1137
- Parimutuel wagering and video gaming: a racetrack portfolio, 531
- Part-time versus full-time work and child care costs: evidence for married mothers, 503
- Performance and revenue in professional league football: evidence from Granger causality results, 1641
- Permanent and transitory effects of fiscal policy on investment in the UK, 57
- Potential information and target variables for UK monetary policy, 449
- Production economies of small depository institutions in the post-FIRREA era: evidence from cooperative banks, 427
- Public capital stock and economic growth: an analysis of the Spanish economy, 985
- Public investment and private capital formation in a vector error-correction model of growth, 837
- R&D efforts, international technology spillovers and the evolution of productivity in industrial countries, 1459
- Random walks and monetary velocity in the G-7 countries: new evidence from a multiple variance ratio test, 569
- Real business cycle theory and monetary policy: the multiplier approach, 1037
- Real Government size, automatic feedback rules and the measured effectiveness of fiscal policy, 365
- Real options, wage bargaining, factor subsidies and employment, 335
- Refutable implications of the firm model under risk, 441
- Reinterpreting the DHSY (1978) consumption function with hindsight, 477
- Robustness of the relationship between price variability and inflation for US manufacturing, 513
- Sectoral fluctuations in Mexico and the 1993 recession, 227
- Self-employment in the UK regions, 313
- Spanish food demand: a dynamic approach, 1399
- Spatial multiproduct pricing: empirical evidence on intra-European duopoly airline markets, 465
- Start-up size and post-entry performance: the case of tourism services in Italy, 157
- Stationary data and the effect of the minimum wage on teenage employment, 435
- Success in maximizing profits and reasons for profit deviation on dairy farms, 151
- Tariff of quota protection - a case study of the Norwegian apple market, 951
- Testing among functional forms: an extension of the Generalized Box-Cox formulation, 1001
- Testing oligopoly power in domestic and export markets, 753

- The causes and consequences of occupational segregation: a simultaneous equations approach, 1361
- The demand for the broad money in the UK: does credit matter?, 1421
- The determinants of the speed of convergence: the case of India, 1595
- The diffusion of innovations in protected industries: the textile industry, 77
- The double-negative effect on the earnings of foreign-born females in Canada, 1187
- The earnings of male immigrants in England: evidence from the quarterly LFS, 1157
- The effect of family background on children's level of school attainment in Spain, 1327
- The efficiency distribution in a production cost model, 125
- The fundamental determinants of interest rate differentials in the ERM, 165
- The impact of foreign direct investment on UK manufacturing: is there a profit squeeze in domestic firms?, 705
- The implications of current policies on the production of infant health, 1177
- The investment decision: a re-examination of competing theories using panel data, 95
- The labour supply behaviour of self-employed solo practice physicians, 85
- The nonlinear time series properties of unemployment rates: some further evidence, 287
- The relationship between budget deficits and money demand: evidence from a small economy, 375
- The relationship between hospital mortality rates, and hospital, market and patient characteristics, 717
- The relevance of unanticipated money growth in explaining output variation, 1127
- The revenues-expenditures nexus: panel data evidence from Swedish municipalities, 1379
- The role of innovation in bilateral OECD trade performance, 1335
- The role of the desire for union status in the decision to enter local government job queues: the US evidence, 1369
- The shocking nature of output fluctuations in some EU countries, 1101
- The two waves of voucher privatisation of the Czech Republic: a model of learning in sequential bidding, 133
- The UK consumption function and structural instability: improving forecasting performance using a time-varying parameter approach, 975
- Threshold nonlinearities in output: some international evidence, 323
- Transfer pricing and economic functions analysis: the Japanese paradigm, 621
- Transitory shock or structural shift? The impact of the early 1980's recession on British regional unemployment, 19
- Uncertainty, duality and perversity: an empirical test of the Schultz-Baron hypothesis, 521
- US inflation and the dollar exchange rate: a vector error correction model, 613
- Vector autoregression, cointegration and causality: testing for causes of the British industrial revolution, 1387
- Wages, work, and unemployment, 1531
- Why are some favourite-longshot biases positive and others negative?, 1505
